

## ABOUT THE INSTITUTION

Rathnavel Subramaniam Educational Trust was established in 1983 as a public charitable Trust in memory of Master Rathnavel Subramaniam, the elder son of the Chairman Vijayashree Dr.K.V.Kupusamy and Smt. K.Padmavathy. It was started with the objectives to create facilities for education, health care and upliftment of the poor and the downtrodden. Today RVS Education Trust has reached its goal as one of the leading educational organizations of our country. Totally 130 Educational and other institutions.

RVS Technical Campus - Coimbatore was established in 2009. It is approved by AICTE as an integrated campus and affiliated to the Anna University, Chennai. The colleges offer UG (MECH, ECE, AUTO, MCS, CIVIL, CSE & AGRI) and PG (ME & MBA) Courses. It intends to be the preeminent research and teaching institution linking the people of our institution to the nation and the world by providing quality, carrier focused education and world class specifications.

The department was started in the year 2009 and it has grown excellently in academic and research work. At present 12 energetic and dedicated faculty members in many diverse areas of mathematics. The department also supports all the engineering departments by offering core and advance courses in mathematics at the undergraduate and post graduate level over a number of semesters.

## ABOUT THE WORKSHOP

LaTeX is a document preparation system and document markup language for high quality typesetting. It is mainly used for technical or scientific papers writing for journals by researchers, engineers and mathematicians at large.

The workshop is intended to provide hands on experience on LaTeX. This workshop explains how to create structured documents containing mathematical equations and can also be used for any type of document. LaTeX being a high quality typesetting language requires a little bit of practice to overcome a short learning curve. The sessions are fully filled with tutorials giving you enough opportunity to practice and explore more.

## TOPICS TO BE DEALT WITH

- ✓ Typesetting journal articles, technical reports, books and slide presentations.
- ✓ Control over large documents containing sectioning, cross-references, tables & figures.
- ✓ Typesetting of complex mathematical formulas.
- ✓ Automatic generation of bibliographies and indexes.
- ✓ Multi-lingual typesetting.
- ✓ Inclusion of artwork, process or spot color.
- ✓ Using PostScript or Meta fonts.

## IMPORTANT DATES

**Lost date for Registration : 06.02.2016**

**Notification of Acceptance: 08.02.2016**
